VEGETABLE AND FLOWER SEEDS

SPECIAL CONTRACT PRICE LIST

GILROY, CALIFORNIA, U. S. A.

CABLE ADDRESS
"ROHNERT, GILROY"

Gilroy, California, 1911.

To

.....

The following list of seeds represents the varieties I am especially prepared to grow the coming season of 1911.

The prices quoted are for special contract orders and are submitted for your exclusive consideration.

For the reason that our California Winter is our best planting season; it is important that I get your order early so that I may be able to plant intelligently. This applies especially to annuals.

All bulb crops are limited to my supply of bulbs and where quoted, I will book orders against growing crops, only so long as in my judgment I can fill them. In the event of short crops; all orders will be filled pro-rata.

Terms: F. O. B. Hollister or Stockton (rate being same from both places); 90 days net or 2 per cent discount for cash in 30 days from date of invoice. Bags will be charged for at cost.

Disclaimer—Waldo Rohnert gives no warranty, expressed or implied, as to description, productiveness or any other matter of any seeds he may send out, and he will not be in any way responsible for the crop. If the purchaser does not accept the goods on these terms, they are at once to be returned.
